At the front of the property, you'll discover a bright and spacious lounge, complete with large picture windows that allow plenty of natural light to flood in due to the open view. The dining kitchen is located at the rear of the property and is equipped with a range of floor and wall-mounted units that complement the contrasting worktops. The property features three bedrooms, with two located at the rear and the master bedroom at the front, which includes a full walk-in dressing room with mirrored built-in storage. Additional features of the property include gas central heating, double glazing, and resident permit street parking.
