Property Description

This is an attractive two-bedroom flat in a handsome sandstone terrace situated on the lower ground floor level. The apartment is located in the popular Woodside area of Glasgow's West End and has the added benefit of a small private garden area to the front of the property with a patio area.

The accommodation comprises entrance to the building via its main door leading through into the welcoming entrance hallway, attractive bay windowed lounge to the front with dining area to the rear of the lounge. The modern kitchen sits just off the hall with a selection of base and wall mounted units and contrasting worktops. The bathroom sits to the rear of the property with shower cubicle and bath. Finishing the accommodation are the main double bedroom and second smaller room which is currently being used as a single bedroom; however, this bedroom could also be used as an office or study. Both bedrooms sit to the rear of the property. The property benefits from excellent natural light and has a particularly comfortable feel. The property is also immaculately presented and has refurbished single glazing throughout.

The property has been finished to a good standard by the current owner with a new kitchen, bathroom and gas central heating. The property also has its own door from the hall leading to the secure, communal rear garden with a drying area and patio area for those nice summer evenings.
